

**Requirements for completion of Biochemistry I  
(2nd year, DM )  
academic year 2012/2013**

**1. For successful completion of the credit from course of Biochemistry I is required:**

- Compulsory attendance on at least 75% of all of lectures held during semester.
- To participate at all practical exercises and theoretical and practical performance of all exercises.
- To get at least **60 %** of total score from evaluation of student knowledge by the teacher/supervisor.
- Monitoring is done at every practice from topics related to the exercise of the week – small tests or oral examination.
- In the case of excused absence preparation of seminar work and its presentation in writing form (PowerPoint or poster, 10 - 15 min.) for a topic given by supervisor, submit a written form (6 - 10 pages, used literature, Times New Roman 12, 1,5 line spacing).
- To get at least **60 %** (average) from **revision tests** (big tests, **20 questions**).  
The result **over 90%** on average from all of big tests written in winter semester may substitute a written part of the exam (student need not to write a test on **exam**).
- In the case of failure (less than 60 %) from the big tests, the test may be repeated **once in the last week of the semester**.
- **In the case of the failure from the test in the last week of the semester**, the head of the department will provide a date (only one) for the last repetition of the test.

**2. For successful completion of the exam is necessary:**

- To gain the credit from practical exercises (paragraph 1 above).
- The final exams consist of written test composed of 25 questions from the curriculum of Biochemistry.  
(The result over 90% on average from all of big tests written during winter semester may substitute a written part of the exam, see point f) of previous paragraph)
  - the tests are written in the assembly hall for 45 min.
  - the tests are evaluated by teachers form the department
  - every student receives for his/her answer from 0 (incorrect or no answer) to 4 points (fully correct answer) per question
  - maximum number of points (= percentage) is 100 (%) for whole test
  - the final mark for the written test is determined by the scale as follows:

The final percentage:		Mark	
100 - 92 %	1	excellent	A
91 - 85 %	1-	very good	B
84 - 75 %	2	good	C
74 - 68 %	2-	satisfactory	D
67 - 60 %	3	sufficient	E
< 60 %	4	fail	FX
